DARROW RECEIVES CRITICISM IN BITTER SILENCE

WELFARE OF MEN ACCUSED FIRST

THE LOS ANGELES PEOPLE TO
OBTAIN CONFESSION.

THE COUNTRY IS STIRRED

By Confessions of Guilt By McNamara
and Many Comments are
Made By Union Officials.

(By The Associated Press.)
LOS ANGELES, Calif., Dec. 2.—All
that is known in Los Angeles in the
suspected termination of the McNa-
mara兄弟案 was submitted to
today by Clarence A. Darrow, chief
counsel for the defense, in a state-
ment dictated to the Associated Press.

Mr. Darrow insists no motive of
any sort entered into the deposition
of the McNamara brothers except the
welfare of the men accused of the
murders.

Darrow explained the committee
of Los Angeles people, beginning
work November 20 made the result
possible.

Their suggestions were brought to
Darrow by a Mr. Steffens, a magazine
writer.

"How much their efforts had to do
with the action of the state's attorney, I cannot tell," Darrow continues,
"but it was at their insistence that
negotiations were begun by attorneys
for the defense. I did expect final
action every day after the movement
commenced and it was taken advantage
of the first minute that an under-
standing was reached."

Believing as I do that the action
taken would save the lives of the
accused men, I had no more right re-
fusing it than a doctor would have for
refusing an operation to save his life."

District Attorney Fredericks said
today he had not decided whether he
would ask for clemency for the McNa-
maras. He adds, however, that
when a man pleads guilty the state
always takes it into consideration.
Judge Walter Bordwell, with whom
the matter rests, refused to comment
himself, but it is known that he was
pleased with the result.

Attorney Darrow is on the verge
of a physical breakdown. He is opti-
mistic about his path, however. Dar-
row received criticism today in bitter
silence. He denied he ever told
Samuel Gompers, or anyone else, that
J. H. McNamara was innocent. "What-
ever information came to Gompers
about the guilt or innocence of the
McNamara" probably came from the
men themselves, he added.

As to the defense fund of \$150,000
and a movement to have it refunded,
Darrow said he could not see how
this could be done, as the greater
part had already been spent.

The McNamaras spent the day
quietly and maintained an air of
secrecy.

District Attorney Fredericks stated
today that negotiations dated as far
back as July. The defense, however,
asserts that they made no progress at
that time. No representative of labor
was on the committee which is credit-
ed with bringing about the result.

A dispatch addressed to Wm. J.
Burns, the detective who collected the
evidence, was received today with
the signed name of Theodore Roosevelt,
declaring all good American citizens
congratulated him for his "sig-
nificant service to American citizenship."

Gompers' Statement.

(By The Associated Press.)
NEW YORK, Dec. 2.—"I am not a
bound; I do not seek life in punishment
for any crime." This was the
angry expression of Samuel Gompers
tonight when shown the dispatch
from Spokane suggesting the maxi-
mum punishment for the Los Angeles
dynamiters.

He described the movement as being
"knows."

Gompers was asked if he thought
there was any possibility of officials
of the American Federation of Labor
being involved as a result of the fed-
eral investigation now in progress.

"Let them go as far as they like,"
he said. "If there's anybody behind

LAUNCHING AT TULSA.

(By the Associated Press.)
TULSA, Okla., Dec. 2.—After he had been wounded in
a battle with a posse of fac-
ers near Manford, in which
Fred Evans, a member of the
posse was killed, and Holly
Walker, a negro, was wounded, Bud
Walker, a negro, was taken
from an officer at the jail
days of Manford tonight and
hanged. The body was riddled
with bullets, and dragged to
the outskirts of town.

Earlier in the night Walker,
with another negro held up
three residents of Manford. A
posse was formed and the
negroes were surrounded in a
corn field and a battle fol-
lowed. The mob immediately
started in pursuit of the other
negro.

Other Disclosures.

(By The Associated Press.)
CHICAGO, Ill., Dec. 2.—Detective

dence against the McNamara brothers
in connection with the Los Angeles
Tucson dynamiting, announced tonight
the arrest of Milen A. Smith and
Sidney M. Kaplan, alleged accomplices of
J. H. McNamara with whom he had not long
after his forthcoming visit to Los An-
geles.

He added that sensational disclo-
sures will follow his visit which he will
make in about a week. He refused to
say what further prosecutions or
additional arrests will be made as-
suming that the trial "went beyond in-
discipline."

Would Have Union Act.

(By The Associated Press.)
SPOKANE, Wash., Dec. 2.—The
Central Labor Council of Spokane
representing 4500 union men, are
shaping plans for a country wide
movement to obtain the maximum
penaliment for the Los Angeles dy-
namiters.

The program is to have every labor
union organization in the United
States telegraph the California au-
thorities before next Tuesday, urging
the life sentence allowed by the laws
of the state be imposed on the Mc-
Namara brothers.

The rebels entered the city after
a parley with the imperial troops yes-
terday. This morning general Chang,
imperial commander, escaped before
the rebels entered the city.
